Hiring Manager
American Express

Dear Hiring Manager,

I am writing to express my enthusiasm for the AI Product Analyst position at American Express, as advertised on LinkedIn.

Throughout my academic and professional journey, I have acquired a versatile skill set that aligns with the requirements of this role.

1. Analytical and Problem-Solving Skills: My education in Computer Science and hands-on experience in data analysis have honed my ability to identify patterns, troubleshoot issues, and develop effective solutions.
2. Technical Proficiency in AI/ML: I have a foundational understanding of Python, SQL, and data visualization tools, which I have applied in various projects.
3. Product Management Experience: I have been part of teams where I contributed to managing product development cycles, conducting market research, and implementing user feedback.
4. Effective Communication and Collaboration: My ability to communicate technical concepts to non-technical stakeholders and collaborate effectively with cross-functional teams is a key strength.
5. Commitment to Learning: I am dedicated to expanding my knowledge and staying updated with the latest trends in AI and product management.

American Express's focus on leveraging AI/ML to enhance risk management and customer experience resonates with my career aspirations.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences align with your team's needs.

Sincerely,

Suneet Sachan
